<P style="algin:center">
&nbsp&nbsp&nbsp&nbsp&nbsp&nbsp&nbsp
The College of Engineering Vadakara (CEV) is an engineering college
in Kozhikode district of Kerala, established in 1999.
The first engineering college under the Co-operative Academy of Professional Education
(CAPE),[1] Thiruvananthapuram, established by
Govt. of Kerala, started functioning in June 1999. The college is affiliated to APJ Abdul Kalam
Technological University and approved by
All India Council for Technical Education (AICTE).</P>

```

of Kerala in the year 1999. This was started with a broad vision of assisting the Government to impart quality

education to the meritorious and economically backward students in the State without much financial burden.

CEV is committed to the Government of India and Government of Kerala policy of uplifting the weaker sections of the society by imparting professional education to the students.

Accordingly, CEV is located in the socially and educationally backward Malabar region of

Kerala state. CEV is located at Kurunthodi in Maniyur village 13 km away from Vadakara town along the Palayad –

Maniyur road. CEV is situated on the hilltop of "Kakoramala", with lush green and beautiful surroundings stretching over an area of about 27 acres. The nearest railway station, Vadakara is 14 Km away from the campus.</hd>

<h2 style="color:yellow,font-size:large">General information</h2>

<h4>The college began in the year 1999 using the Maniyoor High S
chool building as a temporary campus. The college was later shifted to the present
day campus which is its own. The campus is situated in Kurunthodi near maniyoor, 10 km from Vadakara
railway station. Stretched over 10 hectares of land, the campus is one of the greenest campuses in the
state. The campus consists of an Administrative block and five academic blocks designated to different
departments along with laboratories, workshops, hostels, canteens and courts/grounds. Its one of the
ten

colleges run by the Co-operative Academy of Professional Education (CAPE) under Govt.

of Kerala. Its one of the few ISO and NAAC certified technical institutions in the state.</hd>

<h2><b>DEPARTMENTS<b></h2>

<h3 style="text-align:center">MASTER OF COMPUTER APPLICATION</h3>
<hr style="align="left;</pre>
    width=80%"></hr>
&nbsp&nbsp&nbsp&nbsp&nbsp&nbsp
The Department of Master of Computer Applications was established in 2010.
The department trains future educators, researchers and software professionals through a
designed by CUSAT. The department molds young outstanding students who are academically strong in
both theory and practices. It organizes supplementary programs, which include Technical seminars &
Mock Interviews to prepare the student for a career in the computing field or for graduate study.
Special orientation is
provided to the staff periodically for updating their strength in latest technological changes.
<h2>Student organisations</h2>
<h4>The college houses and promotes various students organisations like:</h4>
